

RAP 2021

The Research Apprenticeship Program (RAP) has a new format for 2021.

North Carolina Agricultural and Technical State University's College of Agriculture and Environmental Sciences (CAES) invites rising high school juniors and seniors to participate in a two-week, virtual research internship program, June 7-18. The program will operate virtually from 9 a.m.-4:30 p.m., Monday-Friday.

Upon graduation from high school and enrollment at N.C. A&T in a CAES program, participants will receive an \$800 scholarship. The scholarship will be distributed during the first and second semesters of the student's freshman year.
